

**EVOLVE DIRECT PRIMARY CARE
DIRECT TO CONSUMER
MEMBERSHIP AGREEMENT**

Note: Signing this Membership Agreement may alter your legal rights under Maryland Law. Please read entire document carefully before signing.

I, the undersigned, wish to receive primary care medical services from Evolve Direct Primary Care (“Evolve”) and its practitioners (each, a “Practitioner”). A list of the current Practitioners is included at the end of Attachment B. I understand these medical services are offered subject to the following terms and conditions:

1. Effective/Renewal Date. This Patient Agreement (the “Agreement”) shall begin on _____ (the “Effective Date”) and continue as long as I continue paying the Membership Fee described below and subject to termination as described below. This Agreement supersedes any prior Patient Agreement(s) I have signed with Evolve.
2. Enrollment Fee. I understand that I must pay a one-time \$50 (fifty dollar) enrollment fee upon joining Evolve. I also understand that if I cancel my membership and wish to re-enroll, I will have to pay another re-enrollment fee of \$50.00.
3. Services. I understand that Evolve is not an insurance plan and DOES NOT PROVIDE COMPREHENSIVE HEALTH INSURANCE COVERAGE, nor is this a contract of insurance. I understand that Evolve will make available: (a) certain medical services as requested by me or as deemed necessary by the Practitioners in accordance with the established standard of care for primary care practitioners; and (b) certain related services (such medical services and related services are referred to in this Agreement collectively as “Services” and described in further detail in Attachment A).
4. Membership Fee. I understand that I must pay a monthly membership fee (the “Membership Fee”) in order to receive Services from Evolve. Certain Services are included in the Membership Fee but all other Services I receive from Evolve will be charged separately at the time of service according to Evolve’s current Member Fee Schedule. Attachment A lists all Services included in the Membership Fee, all other Services available from Evolve, and Evolve’s current Member Fee Schedule. Attachment A also lists the current Membership Fee and describes how payment must be made.
5. Private Contract with Medicare Beneficiaries. If I am a Medicare Part B beneficiary, I also agree to the terms listed in Attachment B and will sign Attachment B in addition to this Agreement to confirm my acceptance of those terms.

6. Non-Participation in Medicare and Private Insurance Plans. I understand that Evolve and the Practitioners do not participate or contract with Medicare or any insurance plans, including, but not limited to, Health Maintenance Organizations (HMOs), Point of Service Plans (POSs), Preferred Provider Organizations (PPOs) and Preferred Provider Networks (PPNs), and that all Practitioners are opted out of the Medicare program. I therefore acknowledge that, if Evolve provides Services to me: (a) Evolve, and not Medicare or my insurance plan, will bill me directly for those Services at its applicable rates, (b) payment for such Services is due at the time the services are rendered, and (c) I, instead of Medicare or my insurance plan, will be fully and personally responsible for paying for those Services. I further acknowledge that it is my responsibility to understand the limitations of my insurance coverage and I will not hold Evolve responsible for any denied payment for services by my insurance plan caused by my entering into this Agreement. I understand that I may, at any point, elect to obtain Services from a health care provider who does participate with my insurance plan rather than getting treatment from Evolve, and that if I obtain Services from such other health care provider, more favorable reimbursement may be available to me.

7. Submission of Insurance Claims. I understand that Evolve will NOT submit any claims for Services to my insurance plan on my behalf, and that I am solely responsible for submitting such claims if I choose to seek reimbursement from my insurance plan for such Services. I also understand that any reimbursement by my insurance plan will be sent directly to me. If Evolve is mistakenly reimbursed by my insurance plan, then Evolve will return the check to my insurance plan. I understand that my insurance plan may not pay at all for some Services provided by Evolve and may only make a partial payment for other Services provided by Evolve. I further understand that Evolve makes no representations or promises regarding the amount of payment to be received for any claim(s) I may submit to my insurance plan. Medicare and HMOs do NOT permit me to submit claims for Services provided by Evolve, and I agree not to submit a claim for any such services to Medicare or any HMO.

8. Termination of this Agreement.

A. Termination by Patient:

- 1 I understand that I may cancel this Agreement at any time by sending Evolve written notice: (a) stating that I wish to cease using Evolve for my medical services, and (b) requesting that a copy of my medical records be sent to either another physician or directly to me. Please note a minimum of 3 business days processing time is necessary to affect the cancellation.
- 2 I understand that after cancellation, Evolve will no longer be able to prescribe or continue any prescriptions which I may have been receiving

on a long-term basis and it is further understood that PRIOR to cancelling my contract, I will establish treatment with and transfer care to my new Primary Care provider.

- 3 I understand that if I terminate this Agreement within the first six months of membership after utilizing the Services in any way, I will pay Evolve a total of six months of membership fees in addition to any other Services costs. This is because I understand that Evolve does not place limits on the amount of care that I may receive from it per month. Accordingly, I may, based on the status of my health when joining Evolve, receive a multitude of services in a very short period of time. As a result, I understand and agree that it is only fair for Evolve to receive a total of six months of membership fees despite my terminating the contract earlier than six months into my membership.

B. Termination by Practice:

I understand that Evolve may also terminate this Agreement and the physician-patient relationship with me upon thirty (30) days' prior written notice if any Membership Fee payment is more than fifteen (15) days late and at any other time upon ninety (90) days' prior written notice; in such case, Evolve will provide me with information to assist me in finding another primary care physician to take over my care.

9. Membership Fee(s) and Fee Schedule. I understand the current amount of the fee for my monthly Membership will be calculated according to the following age brackets:

Member Fee Schedule

Ages:	18-49	\$49.00
	50-64	\$59.00
	65-79	\$69.00
	80 +	\$99.00

Children of members

Ages:	6-17	\$ 5.00
	18-25	\$10.00

I also understand Evolve may change its Member Fee Schedule and the Membership Fee at any time upon ninety (90) days' prior written notice to me.

10. Payment. I understand that payment of my Membership will be automatically deducted from my bank account using the information on file or may be automatically charged to my credit card on file. I agree to sign a credit card

authorization as part of my enrollment into the Evolve Membership Program, which I understand is required prior to any Services being provided to me. If I decide not to authorize Evolve to debit my bank account or charge my credit card for monthly payments, I agree that I will provide payment for at least six months of Services in advance and prior to any Services being rendered to me. I also agree to continue, throughout my Membership, to pay for Services on the first day of every month.

11. Patient Rights and Responsibilities.

- A.** I understand that pre-existing medical conditions do not disqualify me from enrolling into Evolve and that I have a right to know my treatment options and actively participate in my healthcare decisions.
- B.** I understand that I have the right to a fair, expedient and objective review of any complaint I may have against Evolve and a Practitioner and that I will submit my concerns, suggestions and patient feedback to VIP@emc4me.com.
- C.** I understand that in the event of a life-threatening medical condition, I should always call 911 or proceed to the nearest emergency department. I also understand that the costs of urgent care services not rendered by Evolve is not included in Evolve's monthly membership fees or otherwise.
- D.** I understand that Practitioners are available for telephone consultations in the event of an urgent medical matter, but I will call 911 or proceed to the nearest emergency department if immediate medical attention and/or treatment is required.

I AGREE, UNDERSTAND AND EXPRESSLY ACKNOWLEDGE THE FOLLOWING:

- The Practitioners listed below (the “Practitioners”) have all opted out of the Medicare program effective on dates indicated after their names for a period of at least two years.
- Neither Evolve nor any Practitioner is involuntarily excluded from participating in Medicare Part B under Sections 1128, 1156, or 1892 or any other section of the Social Security Act.
- I accept full responsibility for payment of Evolve’s and Practitioners’ charges for all items and services furnished to me by Evolve.
- Medicare fee limitations do not apply to what Evolve and the Practitioners may charge for the items or services they provide to me.
- I will not submit a claim (or request that Evolve or any Practitioner submit a claim) to the Medicare program for payment for any items or services provided to me by Evolve or any Practitioner, even if the items or services are covered by Medicare Part B.
- Neither Evolve nor any Practitioner will submit a Medicare claim for items or services they furnish to me, and no Medicare reimbursement will be provided for such items or services.
- Medicare payment will not be made for any items or services provided to me by Evolve or any Practitioner even if those items or services would have otherwise been covered by Medicare if I had not signed this Patient Agreement and this Attachment B, and a proper Medicare claim had been submitted.
- I enter into this Patient Agreement with the knowledge that I have the right to obtain Medicare-covered items and services from physicians and practitioners who

have not opted out of Medicare, and that I am not compelled to enter into private contracts that apply to other Medicare-covered items and services furnished by other physicians or practitioners who have not opted out of Medicare.

- Medigap plans do not provide payment or reimbursement for items and services (such as any Services provided to me by Evolve or the Practitioners) not paid for by Medicare, and other supplemental plans may likewise deny payment or reimbursement for such items and services.
