Because the cost of vaccines can vary regularly, we promise to provide all vaccines at OUR cost + 5% (to cover stocking). If you are coming in ONLY for vaccine, the cost of that visit will be \$10.

*Average cash price based on local competitors (CVS Minute Clinic, Target Clinic) prices.

** All costs and fees will be added to the cost of a regular visit (\$25.00 for members, \$85.00 for non-members).
