### Vaccines

Because the cost of vaccines can vary regularly, we promise to provide all vaccines at OUR cost + 5% (t  
If you are coming in ONLY for vaccine, the cost of that visit will be \$10.

o cover stocking).

Evolve Medical Clinics makes every attempt is made to minimize any additional cost to you, our patient. We base all of our pricing on Healthcare Bluebook (<https://www.healthcarebluebook.com>), which is “a guide to help you determine Fair Prices in your area for healthcare services”. It has been featured on NPR, Wall Street Journal, CNN and Forbes as setting a market standard for pricing.

Another site you may find helpful toward understanding Fair Pricing is Cost Helper Health (<http://health.costhelper.com>).

We strongly encourage you to visit these websites to look up the costs associated with any service or procedure here or anywhere you might go. Our members enjoy a substantial savings for every service or procedure.
